### SCRUM MASTER CERTIFIED (SMC)

In partnership with SCRUMstudy, PMO Advisory is proud to offer a 2-Day Scrum Master Certification classroom training at Touro Graduate School of Business near Wall Street. SCRUMstudy is the global accreditation body for Scrum and Agile certifications, and it has authored the SBOK™ Guide (Scrum Body of Knowledge) as a comprehensive guide to deliver successful projects using Scrum.

Our instructors are highly experienced and accredited by SCRUMstudy and all participants will be awarded 'Scrum Master Certified' certificate from SCRUMstudy on successful completion of the exam. Course fee includes the certification exam fee.

SCRUMstudy certifications are the most popular Scrum and Agile certifications, and are widely accepted globally. More than 325,000 persons have been enabled by the certification in delivering successful projects. More than 5,000 students are certified each month. Getting a certification from SCRUMstudy assures you of the best training and certification.

Scrum Master Certified (SMC™) professionals are facilitators who ensure that the Scrum Team is provided with an environment conducive to completing the project successfully. The Scrum Master guides, facilitates, and teaches Scrum practices to everyone involved in the project; clears impediments for the team; and, ensures that Scrum processes are being followed.

At the end of the 2-Day course, successful candidates will be awarded the Scrum Master Certified (SMC™) certification by SCRUMstudy.

### Key Benefits

- High quality hands-on training using role-plays and case-studies.
- Course fee includes certification exam fee.
- Complimentary copy of the SBOK™ Guide.
- 180 Days of access to online eLearning including access from mobile devices
- Free Lifetime Primary Membership.
- One year Advanced Membership worth \$120.

- Earns 16 PDUs

### Course Objectives

- To provide an understanding of the principles in the Scrum framework
- To provide a practical working knowledge of Scrum including roles, meetings, and artifacts.
- To prepare participants to be comfortable with implementing Scrum in their organizations.
- To prepare participants to take SMC™ exam upon completion of the course.
